### Pub Rep Initials

Congratulations! You've gotten leadership together and at least 2 other members! Huzzah! It is time to fill out your first Story Sticker. Story Stickers are personalized stickers that represent some aspect of your Pub. For your first one, make it in honor of your name. Our in-house artists will take all the ideas, and give 2 designs to choose from. Pick one, and we will produce it. .

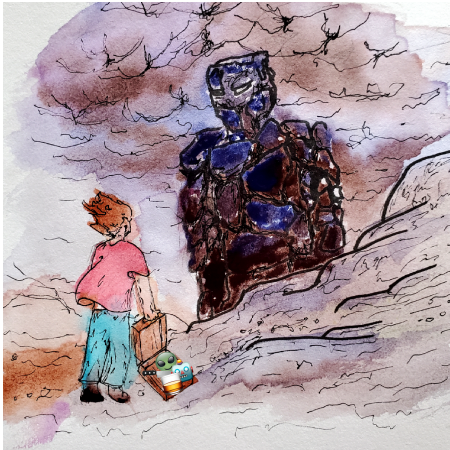

Some examples:

The Stone and the Giant - (Honors David and Goliath). Key features: David defeating Goliath.

Other Inspirations: Michael the Archangel defeating Satan the Serpent. Spiritual Warfare.

Other notes for the Artist: We wanted our Pub to represent us, the little guy, defeating the demons, the evil ones. We want spiritual warfare represented here.

What they got:

David, in the form of St. Michael.  
David, preparing for war. The Stone
