

Story Sticker - Sponsor the Arts

Pub Rep Initials

Congratulations! You've had 3 Featured Presenters this past year! Huzzah!

You can now design this year's Story Sticker. This story sticker can be about any aspect that represents your Pub. Funny inside jokes. Memorable Presentations. An aspect of Christianity your Pub really likes. Give as much detail as you can. Our in-house artists will take all the ideas, and give 2 designs to choose from. Pick one, and we will produce it.

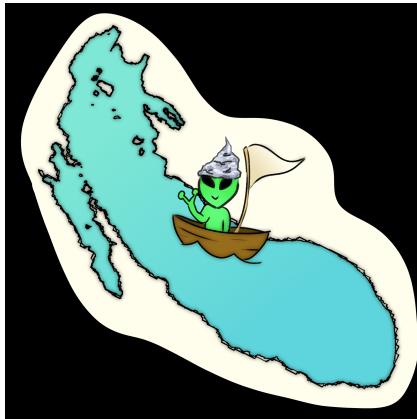

Some examples:

The Stone and the Giant. Key features: Lake Michigan. James Fuller gave a good presentation about The Great Lakes. Tin Foil Hats. Inside joke about aliens. Include our 1st Story Sticker.

Other Inspirations:

Other notes for the Artist: David in a boat on Lake Michigan wearing a Tin Foil Hat. T

What they got:

They liked the first because it was funny. They liked the second one because it was serious. They went with the 2nd one.
